Notice U-68571 Reclamation Completed

Recent inspections were conducted by the authorized officer from the St. George Field Office, U.S. Department of the Interior-Bureau of Land Management (BLM) and personnel from the Utah Department of Natural Resources-Division of Oil, Gas, and Mining (UT DNR-DOGM) on expired Notice U-68571, Thirstystone Resources/Picture Springs claim site at Harrisburg, Washington County, Utah.

It was determined that the reclamation earthwork is complete, a diverse vegetation community has established and the re-vegetation of the disturbed area is considered sufficient. Therefore, the BLM and UT DNR-DOGM recommend the \$2,500.00 financial guarantee be released and the notice closed.

The Utah BLM State Office will issue a final decision. If you have any questions, please call Rody Cox at 435-688-3244 or write to the attention of UTC0300 at the BLM address above.
